

Forward Counting Worksheets for Grade 1 – Challenge

Grade 1

Math

Number Charts & Counting

★ Use your forward counting skills to solve the fun challenges.

1 Complete the counting sequences.

- a.

2	3	4	5				9			12
---	---	---	---	--	--	--	---	--	--	----
- b.

5	6	7			10			13		15
---	---	---	--	--	----	--	--	----	--	----
- c.

1		3		5		7		9	10	11
---	--	---	--	---	--	---	--	---	----	----
- d.

8	9		11		13			16		18	
---	---	--	----	--	----	--	--	----	--	----	--
- e.

12		14			17		19			22
----	--	----	--	--	----	--	----	--	--	----

2 Count on.

Read each prompt. Write the next numbers.

- a. Start at 6 and count forward 8 more numbers.

--	--	--	--	--	--	--	--
- b. Start at 9 and count forward 8 more numbers.

--	--	--	--	--	--	--	--
- c. Start at 3 and count forward 6 more numbers.

--	--	--	--	--	--
- d. Start at 12 and count forward 5 more numbers.

--	--	--	--	--
- e. Start at 7 and count forward 9 more numbers.

--	--	--	--	--	--	--	--	--

3 Find the next numbers.

Look at each pattern. What comes next?

- a.  ...

5	6	7
---	---	---
- b.  ...

6	7	8
---	---	---
- c.  ...

7	8	9
---	---	---
- d.  ...

6	7	8
---	---	---
- e.  ...

7	8	9
---	---	---

4 Super Challenge! Solve each problem.

- a. I start at 8 and count forward 9 more numbers. What is the last number I say?

- b. I am counting forward. I say 11, 12, 13. What number comes next and then next?

 ,

- c. I start at 14 and count forward. I stop when I reach 20. How many numbers did I say?

- d. Fill in the missing numbers. Count forward by 1.

15		17		19	
----	--	----	--	----	--

What number comes next?
